

# ASSA ABLOY Medeco Training

ASSA ABLOY

In collaboration with The Ontario Locksmith Association

The global leader in door opening solutions

## Medeco<sup>3</sup> Certification Class

This eight hour class covers the Medeco3 Certification, design and operation of door hardware cylinders and cam locks for the Original, Biaxial®, and Medeco<sup>3</sup> designs.

### Hands-on exercises include:

- Disassembly and assembly of a Medeco3 mortise cylinder,
- Decoding a Medeco3 Biaxial key, (using a Medeco3 key decoder)
- Pinning a mortise cylinder to a change key, master keying a mortise cylinder, and pinning a switch lock plug to a sample key
- Matrix master key chart reading, application of the MACS, specialty tools, lubrication, trouble shooting, key control programs, an overview of the product line, and interchangeable core pinning specifications are also covered
- Class size is limited to 20 people
